July 9, 2011- Affordable Pre-Conference Option for Reforma National Conference (RNC IV)

REFORMA, the national association to promote library and information services to Latinos and the Spanish-speaking, invites library and information professionals, support staff and students to participate in one of several low cost Pre-Conference workshops. The 4th Reforma National Conference, "Elevating Services to Latinos: Juntos in the Mile High City," is scheduled for September 15-18 at the Westin Denver Downtown Hotel in Denver, Colorado. Pre-Conference workshops will be held on September 15.

This year's conference promises to be exceptional as Reforma commemorates its milestone 40th year anniversary with programs designed with budget challenged libraries in mind. Susan Luévano, Pre-Conference Committee Chair, emphasizes that the RNC IV Pre-Conference "offers a wide variety of workshops and seminars by library practitioners and experts," adding, "Reforma has never offered so many Pre-Conference programs at the national level: There is really something for everyone!"

Those who are looking for depth and breadth in the latest services to Latino populations are encouraged to visit the RNC IV Conference website at www.reforma.org/rnciv to view the full conference schedule and fees and register.

Any questions about RNC IV should be directed to rncivinfo@reforma.org.
